

IBM CLOUD

Assignment Date	06 NOVEMBER2022
Team ID	PNT2022TMID42277
Project Name	Gas Leakage Monitoring and Alerting System

The image shows two screenshots of the IBM Cloud website. The top screenshot is the main landing page with the headline "IBM Cloud Hybrid. Open. Resilient." and a sub-headline "Your platform and partner for digital transformation". It features a large blue and black abstract graphic on the right. Below the headline are two buttons: "Get started for free" and "Chat with an IBM expert". The bottom section of the page is titled "Built for your industry" and includes a "Foundational security" section with a "Cookie preferences" dialog box. The bottom screenshot shows the "Log in to IBM Cloud" page. It has a dark blue background with a large white "4" shape. The login form includes a "Sign in with" dropdown menu set to "IBMid", a text input field containing "username@example.com", and a blue "Continue" button. There are links for "Forgot ID?" and a "Remember ID" checkbox. The footer of the login page states "© Copyright IBM Corp. 2014, 2022. All rights reserved."
